

Notice to our Customers:

We need your updated phone number(s).

Customers who report outages by phone or online will now be asked for their account number OR phone number on file and the system will recognize the service location and accept the report. ***Your phone number, if used, must be on file at MGED for the reporting process to be completed successfully.*** Two numbers may be provided for this purpose. If you have not provided an up-to-date number to MGED, or you're not sure which number we have please contact us at 508-947-1371 during business hours. You can also fill in this form and either save it and email it to customerservice@MGED.com or print it out and include it with your bill payment and we'll take care of the rest.
